Appreciation

For his many years of service, not only at the Northwest School of Agriculture, but throughout the Red River Valley and northwestern Minnesota, we, the Senior Class of 1941, gratefully dedicate this annual to Orville M. Kiser. As a teacher and as a friend, he has been an inspiration to the many young men who have been under his supervision during his twenty-one years of instruction at the Northwest School. The very fine work he has promoted in the Red River Valley through various organizations will always be continued by those who have come in contact with him. In appreciation of all his fine work we leave this book as a great tribute.
