Captain

Harold "Lefty" Loyd

Basketball is one of the two major athletic activities participated in by Harold "Lefty" Loyd. Starting out in basketball as a regular in his freshman year, "Lefty" was elected captain at the end of first and second years of basketball. The 1940-41 season was his third season as a regular and letterman. One more year remains in basketball. During the 1940 football season he was a regular in the backfield and won his letter in that sport.
