All the traditional fun and excitement expected at Homecoming were present on the campus October 25 . . . torch light parade . . . bon fire . . . speeches from captains and coaches . . . alumni . . . former faculty . . . assembly program . . . visiting teams . . . football game . . . cross country meet . . . banquet . . . dance and party.

The festivities began Friday night with the parade and bonfire and came to a close with the last dance Saturday night. The skit for the assembly was in the

form of a radio program advertising "N. W. Pep, Hear it in the Jug—Glug-Glug-Glug." The Northwest Aggies defeated the North Central Aggies 18-0 in the football game played in the afternoon. The cross country team came through to defeat the runners from the schools at Morris and St. Paul. The banquet was attended by alumni, students, faculty, and representatives from the other State Agricultural Schools. A party was held in the Aggie Inn and a dance was given in the Gym which was decorated in the school colors.
