Organized five years ago the Newman Club has made a great contribution to the religious life of the Catholic students on the Northwest School campus. The organization meets bi-weekly on Mondays and has for its spiritual adviser Father Keefe of the Cathedral of the Immaculate Conception of Crookston. The regular attendance of the entire member-

ship of this organization is evidence of the appreciation and the value of the work of the organization. Miss Fae Hughbanks, instructor at the Northwest School, has served as faculty adviser for the past five years and through her sincere and inspiring leadership 100% of the Catholic students have taken part.
