Cross country, becoming more and more popular at the Northwest School, has been recognized as a major athletic activity. This year the boys had a very successful season and won the conference championship by defeating the agricultural schools at Morris and St. Paul in the three-way meet held here on October 25. The final team placings in points were Crookston 29, St. Paul 32, and Morris 59, the team

with the lowest score being the winner. Don Hanson of our team was the first to cross the finish line with a time of 13:04 minutes for the 2.4 miles. Following Hanson were Siewert and Schmidt of St. Paul and Gene Johnston and Alton Knutson of Crookston. Mr. Bennet, the coach, has created a great interest in cross country and the prospects for next year's team are good.

The cross country squad is made up of the following:

Harold Aasland, Richard Bonner, Laurence Deschene, Don Hanson, Irwin Johnson, Gene Johnston, Alton Knutson, Earl Krogstad, David Lindamood, Einar Scho-

lin, Edmund Szczepanski, John Sorenson and Eugene Storla.
