Under the very capable coaching of Mr. Bennett, the swimming team has come through with three years of conference victories.

The sport of swimming is one that should be taken advantage of by every person in school because not very many schools give a student that opportunity. Ours is the only school in the Red River Valley, on the Minnesota side, that has an indoor swimming pool. Several lives in the Valley have been saved by boys trained at the Northwest School.

The regular team meets for practice five days a week, and always has a few minor meets to get in trim for the Conference Ag School Meet. The swimmers, like the rest of the athletes, are awarded the athletic A's and sweaters with service bars.

Our swimmers took second place in the conference meet, being nosed-out by the fast St. Paul swimmers.
