What would our football and basketball games be like without the pep band? In every game our athletes play, they need a lot of support from the side lines and much of this support comes from the Pep band, which is made up of selected players from the regular band. Under Mr. Bakkegard's enthusiastic direction everyone takes on the pep of the band.

And who are those girls that are dressed in those nifty maroon outfits with gold scarfs and sashes? Oh! yes, they are Steffie Pastuck (Advanced); Myra Berg (Senior); Phyllis Gilbertson (Junior) and Lillian Qualley (Freshman). They're the girls who make visitors remark, "That's the kind of pep I like to see young people have."
