As in the girls' basketball tournament, the boys play a total of twelve games. These games provide an opportunity for many to play basketball who do not make the regular school squad. The competition is very keen and the games are a source of much enjoyment for the onlookers as well as the players. This year the Advanced class won six games making them the champions. Those making up the team are as follows: Gilbert Reese, Leslie Nordling, Jay Bergh, Arvid Gunderson, Clarence Sargent, William Pastuck and Alton Knutson.
