

TO ARNOLD M. FOKER

Who through his quarter century of loyal service at the Northwest School and Station has won the admiration and respect of the students by helping us to become better craftsmen so that we will be able to go out into our respective communities and solve many of the problems of every-day living.

Who has lent dignity, zest, and humor to our campus social life by his obvious pleasure in it, we, the Senior Class of 1942, dedicate "The Aggie."
