The Advanced class came to the Northwest School in the fall of 1939 with eighty-nine members. As Juniors there were ninety-three in the class, and the two big accomplishments of this year were taking first place in the Speech Contest and putting on the banquet using a nautical theme. As Seniors, the class presented the class play, "Youth Takes Over", put out an attractive year book and placed second in the Song Contest. As Advanced they took first in the Song Contest. Since Mr. Bakkegard was called to the Army, Miss Noyes was elected to take his place as class adviser.
