## BOYS' GLEE CLUB

A small but select group of boys meets every Tuesday morning for rehearsal with Miss Ingwælde Pfitzner, director and Miss Marian Frykman, accompanist. This organization has not performed in public as a group but a quartet of its members has sung at the Sunnyrest Sanitorium and upon other occasions. The boys work on four part music and are preparing such numbers as "Winter Song", "Carol of the Russian Children", "Friendship", "Deep River" and "Water Boy".
