DEBATE

Resolved: That a federal world government should be established

The debaters have found that debate calls for a great deal of study and more practice, but it almost always proves worth it. The present world war makes the question for this year particularly appropriate and worthy of discussion. The debate club, coached by Mrs. Pofahl, is busy preparing arguments for both sides of the question. Practice debates will be held with neighboring schools and the traditional triangular meets with Morris and St. Paul are scheduled for the first part of March. The debaters representing the Northwest School in the inter-school meets are awarded gold medals upon conclusion of the debate season.
