## AGGIE BOARD

From the first week of school until the jubilant day that the Aggie "comes out" the Aggie Board members work, work and work. You can find them in that corner room in Hill every Monday night talking things over.

Because of the shortages created by our national war effort, the Board members are justly proud that they have been able to give you an annual for 1943. They appreciate your help, encouragement, and consideration, and hope that your Aggie will remind you of many happy hours.
