CROSS COUNTRY

Although the Cross Country squad was without a coach for the greater part of the season, they had a fairly successful year. Under the leadership of their captain Gene Johnston, they took second place in the conference meet on November 11, 1942 between the Northwest School, the West Central School, and the Central School. The 2.5 mile course was run in 13.55 minutes by Freeborg of Morris and Gene Johnston followed him across the line a few minutes later.

The trip to Morris was the only official meet of the year. Early in the season a telegraphic meet was scheduled but inclement weather prevented the Morris team from running.
