## SWIMMING

Although this year's swimming team is without a coach, because of unfortunate illness of Mr. Bennett, prospects for the year are encouraging. Under the leadership of Captain Jack Christensen, the boys expect to develop into a winning team. Several practice meets have been scheduled before the big conference meet with Morris and St. Paul which takes place this spring.

In preparation for the meet, the team is practicing five days a week, and working hard in order to set a new pool record. At the conclusion of the season, the swimmers are awarded A's and sweaters with service bars.
