Leading an active "double life" on the campus, the sixteen-voiced Advanced Choir, directed by Miss Georgene Hanson, is the backbone of special programs as well as the weekly Sunday evening chapel services. With Miss Schanke as accompanist, this talented group this year sung at the Parents' Day program, the "Y" meetings on Sunday evenings, and has successfully carried out the traditional early morning Christmas Caroling. This year the Aggie Inn was chosen to be the haven for a three o'clock breakfast before caroling at the dormitories, the faculty homes, and the dairy barn.

Besides several good Christmas numbers which the choir provided during the holiday season, they have also worked on "Winter Song," "Rain on the River," "My God and I," "Summertime," and a few simple lyrics.
