

Debate

Left around table: M. Ofstedahl, E. Brandli, K. Hanson, Miss Galle, L. Meyer, G. Burke, C. Samuelson, G. Auer, J. Johnson.

Resolved: That the United States should reconstitute a League of Nations.

Read and collect material. Those are the orders given the debate squad which this year is made up of students from three classes . . . junior, senior and advanced. The debate season begins in January and continues on through February. Anyone who is interested in public speaking or the world situation is eligible to try out for the squad, and those who best succeed are chosen to go on the debate trips. This year, in spite of the lack of boys and interest in other schools, the debate team had several practice meets with neighboring schools, and carried on a triangular sub-collegiate contest with the other Aggie schools at Morris and St. Paul. (To the debaters representing the Northwest School in the inter-school meets are awarded gold medals upon conclusion of the debate season.) Under the direction of Miss Galle, the squad had a very successful year.
