Standing: D. Krogstad, R. Barrick, M. Capistran, G. Auer, H. Milner. Seated: G. Burke, D. Walsberg, M. Larson, E. Muzzey.

During the past six months we have labored to produce an AGGIE that would be a true representation of our progress while attending this institution. Despite the hard work required in publishing our annual, we consider it an honor to be entrusted with the responsibility of publishing this book. To a willing staff, three capable advisers, and all of you who are owners of the book, go our sincere thanks for your cooperation on a book that we hope will become invaluable to you.
