With the sixth year of hockey well under way, it is becoming quite apparent that hockey is growing in popularity among the school's outdoor enthusiasts.

This year's team, captained by Bob Phillips, began with a large turn-out of twenty-four players. They began the season with a 2-1 victory over Crookston Central on our own rink, the morning of January twenty-ninth.

Their victory march was interrupted when Cathedral High School played them during Winter Show's Week. A defeat, to the tune of 4-0.

To prove their superiority, the Aggie speed skaters nuzzled under the Crookston Pirates again on the Arena rink; this time 3-2.

Other games are scheduled, and we hope more victories are in sight; so, carry on, you spitfires of the ice!
