"Okay, gang, let's have fifteen rahs for the Aggies!"

The "pep" behind our pep fests and games lies embedded in the originality of our Pepsters, who have contributed much to the spirit and enthusiasm of the student body.

The Pepsters are representative students who have the desired qualities of sportsmanship and leadership, and a desire to be of service to the school. This year the pep squad consists of eight girls who have been chosen by the entire student body. Under the supervision of Mrs. Ardelle Bakkegard, the cheer girls meet twice weekly to practice new yells and dress up old ones.
