Those maroon and gold flashes that occasionally flit across your field of vision when you look south on the campus beyond the gym are not the effects of astigmatism from too much studying but they are the fleet members of our cross country track squad.

The return of four members of the 1943 cross country team made the year's prospects look good. With Mr. Robert Clark as the new coach and Lloyd Kasprick as the new captain, the team participated in two meets with new vigor.

The first meet took place at Morris and was lost to them. The second, the Conference Meet, was run on the Aggie course. Morris again won first place, the Northwest Aggies were second and Grand Rapids last.

Members winning letters and bars were: Lloyd Kasprick, Peter Schirrick, Richard Nisbet, Donald Steinhauer, Rueben Hanson, Orvin Stubstad, Curtis Brandt and Adolph Hapka.
