And here is the team behind the team behind the ball!

Energy, unity and graceful and spirited coordination is not a priority of the boys on the team at the Aggie games, for the Pepsters have their share. There is not a dull moment at the Aggie games or pepfests for this team keeps the enthusiasm of the crowd bubbling only to be let loose in a roar when the occasion calls for it.

The six members are elected on the basis of sportsmanship and leadership. The Pepsters, under the direction of Miss Georgene Hanson keeping alive the spirit of the school, meet once a week for practice and rejuvenation!
