Football

The 1945 football team, which was coached by Mr. Lysaker, started the season well even though many of the lettermen had graduated. After a short period of seven days' practice the team made a good showing in their first game with Warroad in which the Aggies were victorious. Again the Aggies won over Morris which gave us Ossie, the victory trophy, and the Conference Championship for another year.

October 5

The Aggies opened their football season with a very brief period of practice, and a number of inexperienced men. Her first game was with Warroad in which the Aggies were victorious.

October 10

The Aggies met Warren in a hard fought battle, which showed some improvement over the first game. Again the score was in favor of the Aggies.

October 13

This was the Aggies' third game in the first two weeks of practice. Cathedral from Crookston was host to the Aggies in a hard fought game. Cathedral came out on top. The game was lost due to poor blocking.

October 17

Homecoming! A great day on the campus in which the boys have a chance to show their ability as football players. October really did her duty in giving us a nice sunny afternoon for an exciting game. The Aggies played a hard and fast game in the first three quarters. At the end of third quarter the Aggies were in the lead. In the last quarter Park River pulled a few neat plays and defeated us by one point.
