Advanced Choir

One of the most active of the musical groups on the campus is the Advanced Choir. This is a select group of sixteen of the outstanding singers in the school. The group performs for the Armistice Day program, Baccalaureate, Commencement, the Spring Music Concert, and Sunday Night Vesper Services throughout the year.

Perhaps the most enjoyable of the appearances that this group makes is the early morning caroling during the Christmas season. This group sings for all of the dormitories and faculty homes (and even the cows seem to enjoy the strains of "Away in a Manger").

The choir has one scheduled rehearsal a week and extra rehearsals are called as the need arises.

Under the direction of Miss Winnifred Erickson and accompanied by Miss Ruth Emerson the choir has made fine progress.
