Band

Our twenty-five piece band is the best we have had in several years. Although it is not a large group, the members have shown real enthusiasm, and the result is a very good pep band. Our new director, Mr. Nordvold, has done much, with the assistance of Miss Erickson, to make the band a success.

The band rehearses twice a week and has been practicing marches, waltzes, concert selections, and several novelty numbers. Formal appearances of the band were Parents' Day, and Commencement, and the pep band appearing at all athletic events.
