## *Pepsters*

Roger! Yes, where there's a will there's a way, and where there's a game there's a crowd bursting with pep and energy giving what's in them to cheer and keep the ball rolling. And still behind the yells are the Pepsters with thir co-operation boosting up the spirit of the game.

The Pepsters consist of nine members chosen for their ability in sportsmanship and leadership. A new addition of two boys was made this year and has proved very successful. The group under the direction of Miss Erickson met once a week to practice new and old yells.
