Choir

The mixed choir is the largest music group on the campus. This musically minded group served as the nucleus for the massed choir that sang at the annual Parents' Day Program. Songs that were sung at this program were "Thanksgiving Hymn" and "Go Down, Moses." Other appearances that this group made were the Spring Music Concert and Sunday Vesper Services. Under the able leadership of Miss Winnifred Erickson and Miss Ruth Emerson, the accompanist, the choir looked forward to these appearances.
