

## *Homecoming*

Once more the close of the football season brought to us one of the greatest highlights of the year, Homecoming. This long awaited event took place on Saturday, October 27. The festivities began Friday evening as the student body and alumni gathered about the giant bonfire at the football field to prepare themselves for the coming morrow's game. The Pepsters led the jubilant crowd in some rousing cheers and school songs, which were topped off by a few comments by the coaches, team captains, and alumni.

Saturday morning dawned a clear, crisp day and everyone came out with great enthusiasm for the football game of the afternoon. The game proved to be very exciting and a close contest between two excellent teams. It was fine entertainment, enjoyed by everyone in spite of the fact that the Crookston Aggies were defeated by the Park River Aggies 20-19.
