Debate

Members of the debate team are students who have the ability not only to understand vital issues of our time but also to discuss these problems with opponents. The members of this year's team are Gladys Auer, Jennette Johnson, Lester Samuelson and Conrad Wiger. The team and its director, Miss Linde, are anticipating a duo debate contest to be held again this year with students from the West Central School of Morris.

On March 12, 1945, Northwest School and West Central School each won one of the two contests held. This year Northwest School students are eager to win both contests.
