Wrestling

The prospects for an excellent wrestling team this year are good. There are three lettermen back plus nine members with past experience in wrestling. The other members however, are putting up stiff competition for places on the team.

The team is coached this year by Mr. Edward Bennett, former coach, who is back after a year's leave of absence.

The team hopes to equal last year's team which scored a clean sweep in the conference title against Grand Rapids. The final score being 38-0 in favor of the Crookston Aggies.

Two meets have been scheduled so far. The first meet which will be a dual meet will be held at Crookston. The second meet will be the conference meet and will be held at Grand Rapids.
