The class of 1948 with its one hundred fourteen members carried on an enthusiastic program this year. They maintained third place in Song Contest, participated freely in Variety Night, entertained the Senior Class at a prom and banquet, and claim to have a greater percentage on the Honor Roll than any other class.

The class also participated in the many extra-curricular activities offered by the school. They went out for swimming, wrestling and basketball, and also made a creditable showing in track and football. Outstanding work was accomplished in piano and voice and the school's band, glee clubs, and choirs received their enthusiastic support.
