CLASS OFFICERS

L. Swenson, E. Waterworth, H. Balstad

On October 1, 1946, a new group of eager students entered a new phase of life. To many the years at school will be a stepping-stone leading into other fields of endeavor.

The next morning they were taken on a tour of the campus. After dinner came the presentation of the faculty and their first instruction to class work.

The members of the class have availed themselves of the opportunities of the school by participating in sports, music, and many other fields of activity.

The group shows promise of being a progressive class.
