

Blue ribbons, plaques, silver trophies, and special prizes were awarded Northwest School students at the Awards Assembly held at the Northwest School on January 10. Lorraine Anderson won the champion Silver Trophy for girls' summer home project work for the second successive year. Glen Torkelson won the Silver Trophy for sweepstakes award in boys' summer home projects. By winning the Blue Ribbon award and highest honors in the project, Adolph Hapka was awarded the Archie Lee plaque and Standard Oil Company

Crescent wrenches for outstanding achievement in the tractor project. The Red River Valley Dairymen's Association plaque for highest achievement in the Dairy Herd Management project was awarded to Norris Pederson. The O. A. Flaatt plaque for the highest record in potato production was awarded to Vernon Vonasek. The Pure Seed plaque of highest achievement in the Pureseed project was won by Bernard Reese.
