The above men are members of the honorary "A" club. Members of this organization at the Northwest School consist only of those who have received the honorary "A". This club is now in its fifteenth year and is concluding one of its most active years.

During the past year the "A" club has performed various duties which have included supervising conduct in the dining hall and in the boys' dormitory. It has also encouraged students to participate in extra-curricular activities. A banquet was sponsored in Crookston for the members of the track and football squads who received their honorary "A" at the March awards assembly.

The "A" club certificates and membership cards are given to all members of the "A" club who are graduating. This certificate permits the individual holder to attend athletic events held on the Northwest School campus.

"A"'s are awarded only to those who fulfill the requirements of the extra-curricular activity participated in during the year. Lettermen are represented from the following groups; football, basketball, swimming, wrestling, hockey, track, crops judging, livestock judging, debate, and pepstering.

The "A" club sponsors the Honors' Banquet which is held near the close of the school term. This banquet gives fitting recognition to all members and coaches of sub-collegiate teams.

The club has appreciated the assistance given them by their adviser, Mr. Reiersgord.
