

The annual Honors' Banquet was held in the Aggie Inn March 13, 1946, for those who were the receivers of "A" awards.

The Aggie Inn was decorated with red streamers and the tables were arranged in a huge "U" with all the trophies that had been won placed on a small table in the center.

Mr. Foker served as toastmaster and Superintendent McCall gave the greetings. A student group called the "Bathshower Singers" began the program by singing several well-known songs. Talks and responses were given by team captains and members of sub-collegiate groups.

An address was given by a former graduate of this school, Judge Oscar R. Knutson of Warren, Minnesota. The faculty quartette of the Northwest School ended the program and banquet by singing four popular numbers and closing with the old familiar song, "You Tell Me Your Dream".
