

D. Nelson, W. Nelson, Mr. Soine, M. Green, M. Hennem.

The crops judging team is selected from the group of boys who are registered in the judging class.

The work in crops judging class consists of judging seven classes of grains and legumes, identifying weed seeds, weed plants, cereals, forage plants and seeds, potatoes and potato diseases.

At the Winter Shows, judging contests were held on February 4, 1946; six schools participated. The Northwest School placed fourth.

The prize money which they received enabled the group to make a trip to the Twin Cities.

Mr. O. C. Soine, who is the coach of their group, will select his team from among the following: William Ash, Merle Hennem, Manvel Green, David Nelson, and William Nelson.
