This season the basketball team is playing a brand of ball that is going to be hard to equal by future Northwest Aggie teams. Fighting spiritedly the maroon and gold basketekers are displaying a fast-breaking offense and an air-tight defense. This exciting type of play with good contests arranged is packing the gymnasium on every game night.

With a squad of seventy-five boys, including three lettermen: Co-Captains Allan Carlson of Erskine, and Armin Ross of Fisher, and Donald Mykleby of Eldred, five boys from last year's "B" team: James Thibido of Stephen, David Lundberg of Kennedy, Earl Proulx of Argyle, Floyd Anderson of Middle River and Lloyd Anderson of Hawley. This aggregation is also bolstered by the five following G. I's: Tosten Johnson, Dick Sprague and Bill Smith of Crookston and Maynard Ranstrom and Glen Lindberg of Warren. Three transfers have also strengthened the club; they are Harold Merrill and Harold Sanders of Fisher and Robert Erickson of St. Hilaire.

A difficult schedule of twenty-four games was arranged for the Aggies, including eight state Agricultural Conference games and eight college "B" games with teams from Bemidji Teachers College, Moorhead State Teachers College, Concordia College and the University of North Dakota.

The team spirit this year along with the splendid student body support is helping build a basketball reputation here in the Northwest that will long be remembered.
