## SENIORS

Looking behind them at their silly pranks of the first two years, the Seniors glance enviously at the Advanced they are to replace next year.

Secretary Dagney Roley is one of our quiet and ambitious classmates. Dagney ranks high on the scholarship list. Perhaps there is difficulty in recognizing Dorothy Finkenbinder, treasurer of our class, without her bangs. We wonder why Dorothy is smiling so happily. Dorothy is associate editor of the Aggie. Mentioning the Aggie, reminds us that Vice President Manvel Green was ill the day the picture was taken. Manvel is also on the Aggie Board. In 1947 Manvel was President of our class and in the same year was elected to the National Honor Society.

President Harris Hanson's sweater is quite fascinating. Harris is serving his first term as a class officer. Seemingly Harris is fond of sports. He was also chosen as a member of the National Honor Society in 1947. Treasurer Charles Mondor has a weakness for sports and has been in two swimming meets. Charles is a member of the glee club. Leroy Swanson, sergeant-at-arms, has been active in numerous sports and has been a member of the "A" Club for three years. Sergeant-at-arms De Forrest Palm joined the senior class this year. He is interested in football.
