Freshmen are called "green" by most students, and the green is not supposed to be especially complimentary. Now, we hope that our class is a contradiction to that title.

As president of our class we chose Charles Peterson. Nyla Finney is the only girl chosen for an officer in our class. Nyla is our vice-president. We decided to have two representatives from Clearbrook on our list of officers and chose Wayne Anderson as secretary and Russell Milner as treasurer. As sergeant-at-arms we selected Ordean Jensen.
