Juniors usually wear a look of complete assurance, for, though they still have a school year or two ahead, they have passed the first lap without losing any, or at least not much of their equilibrium.

Apparently our class believed that we should let the girls have a bit more influence in our class than the Freshmen gave to their girl classmates. We selected Elaine Kopecky as our secretary and as our treasurer Eunice A. Peterson. Clayton Brandt is also a treasurer.

Seemingly we did not feel safe in giving the presidency of our class to a girl so we selected Duaine Moe to fill the post. Our vice-president is Howard Thompson. We believed Arne Filipi capable of keeping order in our meetings so we appointed him sergeant-at-arms.
