

# ROUSER REPORTS TRIALS AND TRIUMPHS

Standing: R. Lapp, W. Ash. Seated: R. Stromstad, L. Neilson, A. Sorensen, Miss Larsen, Emma LaBine.

"Did anyone see that stencil?" wails a bewildered reporter. "Here, write this headline, but quick!" orders the editor. And this is only part of the bedlam that reigns in Hill 301 on deadline day!

But under the management of Miss Margaret E. Larsen, the staff put out a paper designed to inform and amuse the students.

During the first semester special columns were written by Phyllis Magnusson and Adelyne Sorenson.

William Ash served as editor the first semester and Charles Korinta was editor during the second semester.
