Membership of the "A" Club is made up only of those individuals who have received the honorary "A." This year the club is in its sixteenth year and is once more concluding a successful term.

It is through the efforts of this group that the new scoreboard in the gymnasium was made possible as well as the new radio-phonograph combinations in the dormitories. Other activities of the club have included dormitory supervision and the encouragement of extra-curricular activities on the campus.

"A"'s are given to those who fulfill the requirements of the extracurricular activity participated in during the year. Lettermen are represented from debate, pepstering, track, crops judging, livestock judging, football, basketball, swimming, hockey, and wrestling.
