The band seemingly does not hold as much attraction to the students as do some of the other musical organizations. This season finds the band reduced to eighteen members. However, the smallness of the group does not prevent the band from being heard. Emphasis has been placed on the mastering of these selections: "Promotion" by Chenette, "Starter" by Ribble, "Warming Up" by Ribble, "Vanguard" by Hollingsworth, "Honor Band" by Weber, and "Flyer" by Weber.
