CROSS COUNTRY

The 1948 cross country team had a successful season and showed a marked improvement over the 1947 squad.

They opened the season with a 25 to 30 win over Morris.

Their next meet was at Grand Rapids, last year's conference champs. Here they dropped a close one to Grand Rapids, 23 to 26.

The final conference meet was held at the University Farm Campus in St. Paul and wound up with the following results: Grand Rapids first, Crookston second, St. Paul third and Morris fourth.

Crookston was unfortunate in having one of the outstanding runners in the hospital for this crucial race, or there might have been a different ending. Everyone is looking forward to next season and a new attack on the championship heights we held for two straight years.
