"Little Women"

One of the most enjoyable entertainments of last year's production was the "play within a play", "Little Women," which was staged on March 11.

Portraying Little Women were Marvelyn Vesledahl, Florence McMillan, Gloria Filipi, and Diane Swenson, with Marlys Sargent, Donald Miller, Michael Harty, Larry Bergh, Duane Nelson, Ada Torgerson, Manvel Green, Dorothy Finkensbinder, Delphine Hedlund, Mavis Jensen, Carol Thibodo, and Marjorie Ophus also included in the cast. Mrs. Ittner directed the play.
