

## *BEHIND THE SCENES*

### **Mrs. Emma Edwards**

Mrs. Edwards, who is preceptress of the freshman girls, has, in her motherly way, encouraged many of the lonesome freshman girls.

### **Mrs. Rose Gackowski, Mrs. Oline Ness**

In the dormitory the girls are kept under the supervision of these two preceptresses. Much to the girls' satisfaction, Mrs. Gackowski has transferred her attention from the boys to them. It would be hard to think of the dormitory without Mrs. Ness to keep it going.

### **Mrs. Ward, Susan, Mr. Ward**

Mr. Ward, the preceptor of the senior and advanced boys, lives with his family on first floor of Robertson Hall. He is capable and well liked. Four year old Susan is very talkative and makes a big hit with all the boys. Mrs. Ward plays an important part caring for her husband and Susan.
