Pre-school football practice found 27 boys back ready to go. There was plenty of competition for the starting positions since only three regulars were back. We lost 29 of last year's lettermen through graduation. By the end of the first week of school, 71 uniforms had been handed out to boys eager to participate in the great sport of football.

The Aggies got under way winning their first two games by defeating Warroad 32 to 15 and Fosston 16 to 0. The next three games were very close with the Aggies

on the short end of two of them. The Aggies, playing their best game of the season at Morris, brought back "Ossie," the conference trophy, to his familiar home.

The first of a number of injuries took Co-captain Duaine Moe out of the line-up for the rest of the season. Other injuries were Peter Fehr's broken leg, and the fractures which laid up Bob Carlson and Everett Lloyd. The Aggies gridiron turned out another successful record this season.
