One weekend during November two representatives of the Hi-Y, a Christian boys' organization, and two representatives of the Tri-Hi-Y, their sister organization, went

to Duluth to attend the district Hi-Y convention. The purpose of the convention was to compare notes with other organizations regarding functions and activities carried on in other schools. Miss Retta Bede and Mr. Homer Fausch, the campus advisers of these organizations, accompanied JoAnne Lerud, Alice McDonald, John Johnson, and Peter Fehr on the trip. They came back with many worthwhile ideas which they put into practice during the year.
