DEBATE

You've seen the brawn, now you see the brain. These studious people are the debate squad discussing the question of the year, "Resolved: that the President should be elected by the direct vote of the people."

Activities of the debate squad include participation in the Tri-State Tournament at Concordia College, Moorhead, Minnesota, and practice debates with Grand Forks Central.

Miss Kjorlie, the adviser, escorts the negative team when it makes its annual trip to Morris in the spring. In return Morris sends an affirmative team to the Northwest School campus. This is the event the debate squad works toward all year.
