Football season began a week before school with only twenty-four players out due to the late harvest season. Among those not able to return at the beginning of season was Co-Captain Dwaine Moe.

The team got off to a good start by defeating Fertile in a hard played game at which both teams were at a disadvantage because of a pounding rain.

We then bowed to Waubun only to defeat the Grand Rapids Aggies by a large margin.

Our most serious setback came when we lost a hard fought Homecoming game, tying up the number of losses and wins for the Aggies.
